

Bonaire Resort Harbour Village Beach Club Announces a New Spa Add On Package -- The Spa Sampler

The fall chill is in the air and there is no better time to escape to the Island of Bonaire. The Harbour Village Beach Club, the only five star Bonaire resort is pleased to announce a new spa package that clients can add on to any of the resort's existing vacation packages.

Miami, FL ([PRWeb](#)) October 30, 2007 -- Bonaire, one of the top dive spots in the world is a favorite of dive enthusiasts. The Harbour Village Beach Club, the only resort on [Bonaire](#) that is a member of Small Luxury Hotels of the World, is pleased to announce a new Spa Sampler package, the ideal way to add a spa escape to any of the resort's current vacation packages.

"At Harbour Village Beach Club, we are continuously designing special packages and promotions to meet the varied needs of our clientele," comments Oscar Haack, General Manager at Harbour Village Beach Club. "Our Spa Sampler is a wonderful way for our guests to enjoy the amenities of our resort like snorkeling and scuba diving and then to pamper themselves with five of our spa treatments. For only \$345 per person, this great package includes two Swedish massages, an aromatherapy massage, a classic European facial, and a spa manicure and pedicure," Haack explains.

"During their time at [Harbour Village](#), the guests can reserve their spa treatments to meet their schedule. I recommend this package to any of our guests who may not be diving as much as their partner. That way the diver of the family can enjoy one boat dive per day plus unlimited shore diving while the other family member can experience the serenity of de-stressing and rejuvenating treatments at our Spa. Divers can also benefit from massage, which loosens tired muscles and improves breathing for longer and more relaxed dives," Haack states.

In addition to offering the new spa sampler package, the [Bonaire](#) resort is pleased to announce that a new therapist has joined their spa staff and that their tranquil onsite spa is now using Pevonia Spa products. Pevonia is the preferred spa care of famous spas worldwide and provides effective skincare solutions for women and men of every age and ethnicity.

Any guests interested in renewing their spirit and revitalizing their body should add the spa sampler to their Harbour Village vacation package to experience the ultimate vacation.
