Miami, FL ([PRWeb](#)) May 10, 2007 -- Summer time is often family reunion time. With busy lives and little time to connect, modern families are combining the traditional family reunion with a luxurious [family reunion Caribbean vacation](#). The Harbour Village Beach Club announces two summer specials making it even easier for anyone searching for a family reunion beach vacation locale offering first class accommodations, amenities and customer service.

This boutique hotel offers two bedroom beachfront premier suites with full kitchens. Families visiting for a reunion enjoy the ability to walk out of their suite and straight onto the private beach or for a dip in the sumptuous pool.

"Last year, we chose the Harbour Village Beach Club for our family reunion beach vacation. It offered the best of everything and was truly an easy and stress free vacation for our extended family. We loved all the comforts of our premier suite and appreciated access to the resort's quality amenities. Our two children, ages seven and nine, loved the Supplied Air Snorkeling program and they also were thrilled to take part in the children's reef ecology program," states Sandy Caine from Newark, NJ. "The resort was also perfect for my sister who has two small children. The private beach was a beautiful place for us to all relax together as a family. We're already planning our next reunion at Harbour Village because everyone thoroughly enjoyed themselves!"

Besides the amenities and picturesque locale, Harbour Village really shines because of the 'can do' attitude of the staff. "We are a boutique hotel so we can cater to the individual needs of each group at a moments notice. At the Caine family reunion, one afternoon they asked us to arrange a torchlight dinner on the beach, just outside their rooms. It allowed them to enjoy a memorable evening, while the little ones were comfortably sleeping inside their suite," comments Oscar Haack, General Manager of Harbour Village Beach Club.

As a family reunion beach vacation destination, the Harbour Village Beach Club gives families many opportunities to enjoy each other's company in a variety of activities. There is a spa and beauty salon on site as well as three restaurants, one beachside, supplying plenty of dining choice. The waterfront location is ideal and there is a marina on site offering boat rentals and fishing.
