Harbour Village Beach Club is the only member of Small Luxury Hotels of the World in Bonaire. Its vacation villas sport first class accommodations, scenic views, and immediate access to some of the island's finest attractions.

Coral Gables, FL, April 22, 2010 – As the only member of Small Luxury Hotels in the World in the island, Harbour Village offers some of the best Bonaire vacation villas. Its beachfront suites boast luxurious Dutch Caribbean style interiors and come complete with such amenities as a wet bar, mini-fridge and a microwave.

The Beachfront One Bedroom Suite opens up to a spectacular view of the palm studded white sand beach. The villa has a private lanai or terrace, where visitors can opt to have their meals al fresco or stretch out on the hammock to rest. Inside, visitors are greeted by a bedroom with a soft king size bed and a queen size sofa pullout in the living room.

The Beachfront Two Bedroom Suite has all the amenities of the One Bedroom Suite, with the addition of second bedroom. This bedroom also has a king-size bed. Both the one bedroom and two bedroom suites have a separate bathroom, which has a lavish bathtub with shower and luxurious vanity furnishings.

Harbour Village' vacation villas are sought after, not only for their comfortable accommodations but also for the private beach club's excellent services. An attentive staff and personal concierge can provide all that the visitors need to make their stay enjoyable.
